Les gens aiment  
les animaux.

J'aime les chats  
et les chiens.

I like their fur  
because they are  
soft.

J'aime leur  
fourrure parce  
qu'elle est douce.

I love dogs  
because they give  
kisses.

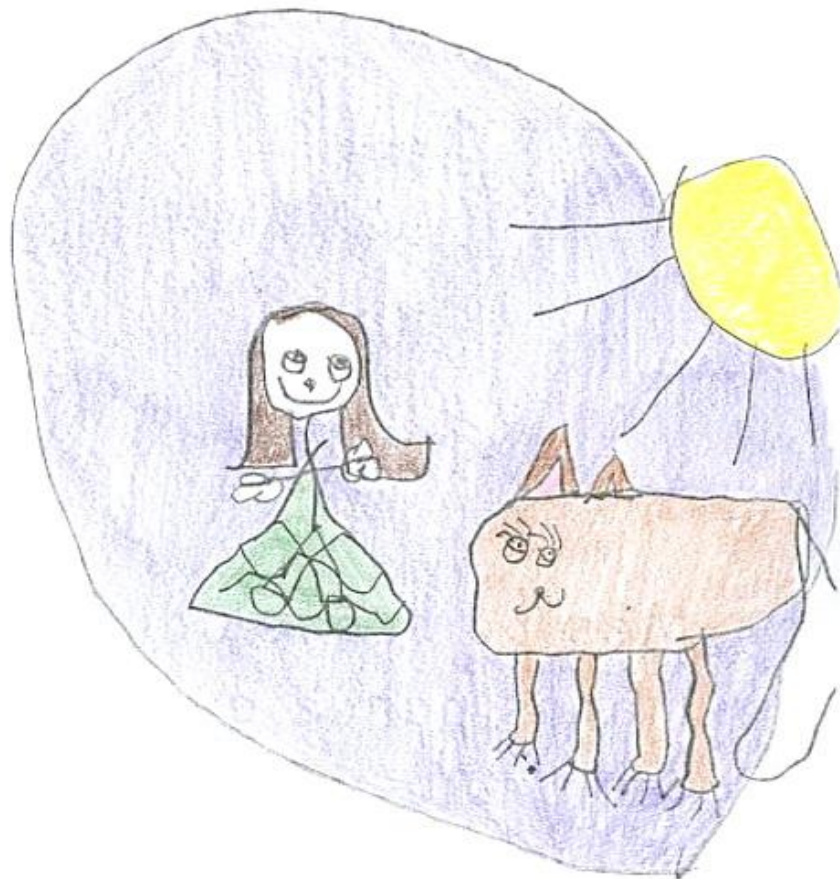

J'adore les  
chiens parce  
qu'ils donnent des  
bisous.

My uncle's kitten,  
Eva, cuddles with  
me. She loves  
me.

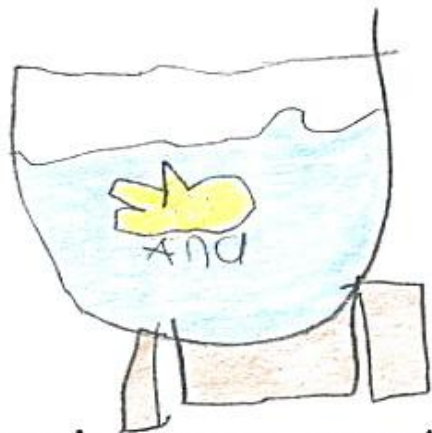

Le chaton de mon  
oncle, Eva, me  
fait des câlins.  
Elle m'aime.

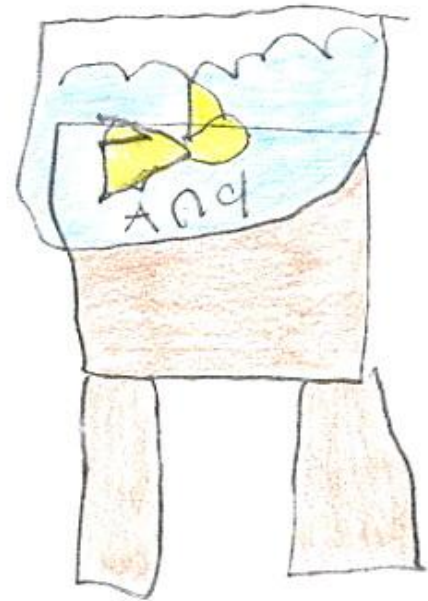

My fish died  
because their  
food expired.

Mes poissons sont  
morts parce que  
leur nourriture a  
expiré.
